

Petra SAE 75W-140 Synthetic Gear Oil

PN 814064 (64oz) Specification Sheet

Product Description:

Petra Synthetic 75W-140 gear oil is a full synthetic premium quality gear oil for transmissions and final drives. It meets the toughest industry specifications for automotive extreme pressure (EP) gear lubricants including limited slip differentials. Formulated for extreme pressure offset spiral bevel and hypoid gear sets (ring and pinion gears) in heavy duty trucks, farm, logging and construction machinery.

Advantages & Uses:

- Greater film strength at higher operating temperatures
- Reduced wear at start up and ease of startup even in artic conditions
- Meets requirements for API GL-5, MT-1, Limited Slip, Extreme Pressure Hypoid Gears
- MIL-PRF_2105D and PRF 2105E
- Mack GO-G, GO-H, GO-J, GO-J Plus
- SAE J2360
- Eaton Roadranger E500
- Ford WSL-M2C192-A
- Meritor 0-76M

Features:

- Multi-viscosity for year round use over wide temperature range
- Extreme pressure additives help prevent gear scuffing and scoring
- Helps prevent formation of rust and sludge throughout the system
- Excellent resistance to foaming
- Extended drain intervals versus conventional products
